Doubles Competition 6 August

The Doubles Competition, having been postponed due to bad weather from the previous week, had good weather for the day. 10 couples took part in the competition, each pair playing 4 matches. The winning pair of Dave MS and Tony were the only pair to win all 4 of their matches. Congratulations to them as well as to the runners up Dominic and David Shaw. Matt and Keith received the energy drinks to encourage their future efforts! All the games were hard fought and it was very obvious that the club standard is continuing to improve at a good rate. The tournament finished with a finger buffet at the Three Merry Lads - thanks go to Adrienne for organising this and of course to Margaret and Brian for running the whole event.

Shooting Competition 24 May 2015 + Star of the Year

The shooting competition produced 2 stand-out winners in the Mens and Ladies events - and they kept it in the family as Tim won the Mens

competition and Carla the Ladies.

Following the competition was a lunch at the Three Merry Lads, Cutthorpe, where the prizes were awarded. Dick and Hilary were given energy drinks for being valiant triers. Hilary was also awarded the Star of the Year for her efforts in creating and maintaining the website. See the [gallery](#) for more photos.
