

Visit by Mansfield Petanque Club, 23rd July

On a wonderful sunny afternoon nine members from the Mansfield Club visited our piste for a few friendly games, both doubles and triples. We decided to mix the members so that we all get to know each other and also tap into each other's strengths and weaknesses. The Mansfield crowd were very complimentary about our pistes and location and enjoyed playing on a different surface to their own pistes in Mansfield. They were all very friendly and mixed well with our members.

Drinks and cakes/biscuits were supplied by some of the Chesterfield ladies and everyone helped themselves as and when they had a break and were very appreciative of the drinks on hand. A BIG thank you to our ladies who organised the refreshments. Well done, you know who you are. It was agreed that the Chesterfield club members would precipitate and arrange a visit to the Mansfield club on an agreed Wednesday in August commencing at 1.00pm.

Thank you Mansfield members for making the effort to visit our club and for sharing your skills and experience with us and a particular thank you to Phil for organising the afternoon. We very much look forward to a return visit. **More photos** can be viewed in our [Gallery](#)
